

Purissima Pipeline

BOARD ELECTIONS *There will be no Board elections this November. Three seats were open and only two persons submitted Declarations of Candidacy. Therefore, the Board will be appointing the fifth Director. If you would like to be considered for this position, please call our office for more information. You must be a resident of the District and a registered voter.*

Community Poppy Planting Project

The Purissima Hills Water District is proud to be a co-sponsor of the Los Altos Hills California Poppy Community Planting Project. Soon you will be receiving a FREE packet of California Poppy seeds in the mail that you can distribute in your landscape! As always, our main goal is to promote water conservation through drought tolerant plants.

In addition to helping you with water conservation, we also have a library of books and pamphlets to assist you with your landscaping projects. These include:

- ✓ Landscape planning
- ✓ Plant selection assistance
- ✓ Irrigation assistance and techniques
- ✓ Soils
- ✓ Mulch
- ✓ And More!

Toilet Flappers

Your leaky toilet may not require total replacement. Your flapper may be the culprit! A call to the *Water Wise House Call Program* can get your leaky toilet flappers replaced. Shower heads and faucet aerators can also be replaced with water conserving alternatives. In addition to assisting you inside the house, the *Water Wise House Call Program* will also inspect your irrigation system for any problems that you may have. This is not only a great resource, it's FREE! Be sure to schedule your appointment today! Please note, a full inspection is required. Call the Santa Clara Valley Water District at 800/548-1882 to schedule an appointment or submit an online *Water Wise House Call* request at www.valleywater.org/conservation/.

Plant Sale at Hidden Villa!

Scores of species of hard-to-find native plants, seeds, and bulbs suitable for California gardens are on sale at Hidden Villa, organized by the California Native Plant Society (Santa Clara Valley Chapter). Speak to experts about lawn alternatives such as native perennials, wildflowers, and grasses. Native plant books, posters, and note cards are also available. Come early for the best selection and bring boxes in which to carry purchases home. Cash or check only. For more information, visit www.cnps-scv.org, email CNPS_scv@yahoo.com, or call 650/941-1068. Ten percent of proceeds will benefit Hidden Villa. Hidden Villa is located at 26870 Moody Road, Los Altos Hills.

Contact Alexis Shields at 650/948-1217 or email ashields@purissimawater.org with any questions regarding water conservation.
